Brain Injury Awareness Week Event 2023

My Journey

**NO TWO BRAIN INJURIES ARE THE SAME.
NO TWO JOURNEYS ARE THE SAME.**

Join us to hear from a diverse range of speakers as they share their own journeys with acquired brain injury (ABI).

GUEST SPEAKERS

Damian DeWit

The target of a rock throwing incident whilst driving, Damian acquired a traumatic brain injury. Join us for a conversation with Damian, who will speak about his accident, the aftermath, his recovery, and his journey of self-discovery across the last 20 years.

John Platten

Experiencing more than 30 concussion across his 18 year football career, John joins us at Brain Injury Awareness Week to talk about his life, football, the memories of concussion during his career, and the long-term impact it is now having on his everyday life.
