EMPOWERING PEOPLE FOR EMPLOYMENT

## How does it work?

Brain Injury Association of Tasmania and Brain Injury SA are working together to assist people in South Australia and remote areas of Victoria and Tasmania to develop their confidence and capacity to gain employment or further educational opportunities.

The Employ Me program will support you individually through a 10-step journey which will support you to create your personalised “About Me” video. This video can help you to gain and maintain employment, communicate your needs or simply demonstrate your progress over time.

## What does it cost?

Employ Me is a free service available to people living with brain injury in South Australia. Funded by the Australian Government Department of Social Services.

**For further information or to register your interest for the program, please contact us at Brain Injury SA at (08) 8217 7600 or [info@braininjurysa.org.au](mailto:info@braininjurysa.org.au)**
