

SoConnect

The Precinct

Every Thursday
10 weeks:
9 May – 11 July

SoConnect is a program aimed at increasing the connections to mainstream support services and the broader community for people with a disability that impacts cognitive functioning. The program is for people who are not eligible for a NDIS plan.

SoConnect will assist participants to increase their social connections by providing information on services in their local areas all while meeting new people and having fun along the way.

TOPICS ACROSS THE PROGRAM INCLUDE:

- Education options
- Managing your finances
- Employment support services
- Social connections
- Legal support services
- Housing options
- Centrelink
- Health services
- Family and support networking
